ABOUT POWIS

Powis is small, privately owned manufacturing business based in Berkeley, California. For more than 30+ years Powis has designed, built and manufactured their machines and consumables in the the SF Bay Area.

FOUNDER & INVENTOR

Kevin is the founder and inventor of the award winning Fastback Multi-Binder. From an early age, Kevin Parker developed a deep appreciation for authenticity and quality. The tangible power of ink on paper and binding transform how people percieve value and information. "I love what we do at Powis and am proud to say we do it with passion."

PHOTOPRESS

PHOTOPRESS I MACHINE

	Part #	MSRP
Photopress Machine	PHP	\$9,295.00
Extension Kit for 12" x 18"	BELLA – 208900	\$ 295.00

Bind digital prints & photo papers

To make a Photopress presentation book, combine folded spreads with pressure activated Signature sheets. A 1-minute cycle in the Photopress activates the permanent adhesive. The book block is then trimmed and easily mounted in a hardcover. The result is a beautiful flat album style book, made from prints—ready in a matter of minutes.

- Create flat photobooks
- Super strong, 180 degree lay-flat binding
- Binds in 1 minute
- Digital prints, silver halide and inkjet photopaper
- Extension kit dimensions: 12" (304.8mm) x 18" (457.2mm)
