## Megabind-1 MANUAL COMB PUNCH AND BINDING SYSTEM

### Megabind-1 Manual Comb Punch and Binding System

The MegaBind-1 comb binding machine's two handle design doubles your output! Open the binding comb with one handle and punch your sheets with the second. After punching, place the punched sheets onto the open comb binding. When the book is assembled, simply push the handle closed. Heavy duty machine is all metal.

Features include: **Die Disengagement Pins** allow for precision punching • **Adjustable Side Guide** allows paper to be aligned for the best punch • **Punching Margin Control** • **Continuous Binding Control** • **Waste Compartment**.

Binding thickness capacity is 3/16" to 2" (up to 425 sheets of standard paper). Maximum length of 24 rings easily accommodates legal size. Punching capacity: Up to 20 sheets (20 lb. bond).

Dimensions: 21-1/4" x 18-1/8" x 15"

## Megabind-2 Manual Comb & Wire Binding Machine

The Akiles MegaBind 2 offers comb binding and 19 ring double loop wire binding in a single machine. With separate punching and binding handles, this versatile machine can punch up to 20 sheets at a time (20lb). It binds plastic comb up to 2" (425 sheets) and double loop wire up to 5/8" (120 sheets).

Features include: **Double-Handle System** allows you to work faster and more efficiently • **Binding Guide** allows the user to determine the correct comb size to use • **Continuous Binding Control** • **Die Disengagement Pins** • **Side Margin Control** • **Punch Margin Control** • **Waste Compartment**

Bind Capacity: 3/16" to 2"

Punch Length: 13"

Warranty: 1 Year

Dimensions: 21 1/4" x 18 1/8" x 15"
