

## ShredRite2010cc Centralized Office Business Shredder

This powerful shredder with a 10-1/4" feed width is a BindRite All Star in quality and features. Designed for executive areas and strategic departments that require industrial performance without the look. The automatic oiler is standard and helps prevent jams. The innovative SPS safety features make the ShredRite 2010cc one of the safest on the market.

### Features:

- Automatic start and stop controlled by photo cell
- "ECC" (Electronic Capacity Control) indicator helps prevent paper jams by indicating sheet capacity levels during shredding
- Automatic oil injection insures optimal performance at all times
- High quality, hardened steel cutting shafts take staples, paper clips, and credit cards (strip- and cross-cut models); strip-cut model takes CDs
- Lifetime warranty on cutting shafts
- Quiet and powerful single phase motor rated for continuous operation
- High quality wooden cabinet mounted on casters
- Convenient shred bin
- 26 gallon shred volume

### SPS (Safety Protection System) Package:

- Electronically controlled, transparent safety shield in the feed opening
- **Easy Switch** control element uses color codes and back-lit symbols to indicate operational status
- Automatic reverse and power cut-off (avoids paper jams)
- Automatic power cut-off when shred bag is full or when cabinet door is opened
- Double protection against overheating
- **ESM (Energy Saving Mode)** after 1 hour of inactivity
