

Professional Wire Opening Tool

Opens 3:1 or 2:1 binding wires easily without damaging bound papers

The Renz Binding Wire Opener is an innovative, easy-to-use wire opening device designed to quickly release punched paper documents without damage. Opens 3:1 or 2:1 wire bound documents of virtually any length nearly instantaneously. Perfect for debinding old wire-bound documents prior to recycling or shredding.

- Compact design is easy to grip and control
- Will not rip or tear documents.
- Opens up to 360 documents / hr.
- Compatible with any 3:1 or 2:1 wire binding elements.

The compact Renz Wire Opener quickly releases wire binding elements of any length.

Place the document on desk with the wire seam showing.

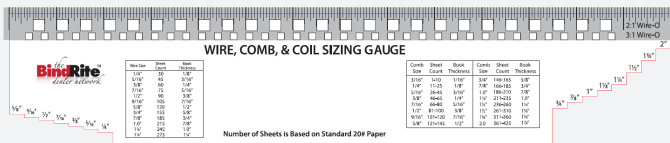

Position the nose of the Ring Wire Opener into the wire seam.

Slide the device all the way along the wire seam.
