

Our ClipsShop® brand of solid brass curtain eyelets and washers will never rust. They are made of high-quality brass and exhibit superior corrosion resistance. Cost-effective ClipsShop® curtain eyelets function optimally with our specially-designed setting dies producing outstanding results on a wide range of materials. We know your project is important to you and your customer. For this reason, we stock grommets available for fast delivery. These eyelets & washers are *not* self-piercing and requires two-step cut & attach dies.

GROMMET SIZE GUIDE

NAME	HOLE SIZE		FLANGE DIAMETER		NECK LENGTH	
	INCHES	MM	INCHES	MM	INCHES	MM
#7.5	1	25	1.73	44	0.32	8.2
#8.5	1 1/8	28	1.89	48	0.32	8.2
#12	1 1/2	40	2.46	62.6	0.42	10.6

Hole Size after setting may vary slightly depending on the thickness of applied material and amount of pressure used. Due to production tolerances actual dimensions may vary slightly.
