Where Finishing Comes First.

Gfp 230C

Compact Cold Laminator

The Gfp 230C is the perfect complement to the latest wide format inkjet printers. Its space-saving size, efficient set-up and operation, and entry level pricing will add value – and profit – to photo and printed media output. The compact 230C delivers consistently professional results making it ideal for photo studios, copy shops and graphic designers.

ENTRY LEVEL PRICED

Designed for small operations

USER FRIENDLY

Intuitive controls

VERSATILE

Mount, laminate, pre-mask tape

PROFESSIONAL DESIGN

Rugged, reliable, feature-rich

COMPACT SIZE

Uses less than 5 square feet

mounting • laminating • pre-mask taping

Easy set-up & low maintenance make it a hit with new users.

Quality results keep customers coming back. Performance rivals systems costing thousands more.

- **Fits easily in your office**
- **Quick and easy set-up**
- **Infinite hand wheel adjustment**
- **2.5" diameter rollers**
- **Foot pedal and stand included**

The 230C needs only 5 square feet of space. Or roll it away when it's not in use.
