FORMAX®

BindRite
www.bindrite.com

The Formax **Cut-True 23S Electric Paper Cutter** offers precision cutting for paper stacks up to 16.9” wide and up to 1.75” high. This semi-automatic cutter requires very little effort, with its electronically-controlled two-button operation, and doesn’t sacrifice safety for accuracy. It features an electronically-controlled front safety cover, a safety lock with key, an easy to use blade change safety tool, and a wooden paper push for safe alignment. The Cut-True 23S is ideal for transforming brochures, invitations and more, with crisp, accurate cuts, and is a welcome addition to print shops and in-plant finishing.

Electronically Controlled Safety Cover
Immediately stops operation
if the cover is lifted

LED Back Gauge Display
Get a precise cut using standard or
metric settings

Two-Hand Operation
Safely engages clamp and
blade, keeping hands away from
the cutting area

LED Laser Cutting Line
Shows exactly where the blade will
cut, allowing for precise adjustments

Manual Back Gauge Adjustment
Fine-tune control for precision cutting

Blade Change Safety Tool Kit
Change blades safely and easily,
and make adjustments
