FORMAX®

BindRite
www.bindrite.com

The Formax **Cut-True 29A Electric Guillotine Paper Cutter** offers precision cutting for paper stacks up to 20.5" wide. User-friendly, intuitive features include a 7" full-color touchscreen control panel, automatically-adjusting back gauge and the capacity to program up to 100 jobs/100 cuts. An infrared light beam safety curtain provides safety and convenience as it shuts down operation if the light plane is interrupted.

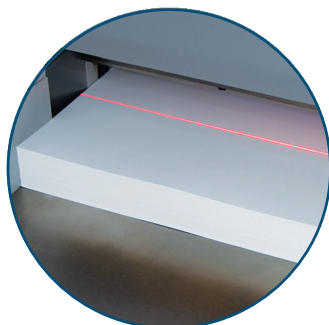

Infrared Light Beam Safety Curtain
Immediately stops operation if the beam is interrupted

Touchscreen Control Panel
Program jobs, switch between inches/mm, paper eject function, programming via cutting & more

Two-Hand Operation
Automatically engages clamp and blade, keeping hands away from the cutting area

LED Cutting Line
Shows exactly where the blade will cut, allowing for precise adjustments

Standard Model
Shown without side tables

Blade Change Safety Tool Kit
Change blades safely and easily, and make adjustments
