GBC® CC500 COMBBIND® FINISHER

Easily add a spine to your presentation with the GBC CC500 CombBind Finisher. This machine lets you securely close CombBind spines and gives your documents a professional finish.

FEATURES:

Binds 500 Sheets

This manual machine has a 14" maximum document width and binds up to 500 sheets when using a 2" CombBind spine.

Pull-Down Lever

Binding made simple. You can quickly close CombBind spines with just a push of the left-hand lever.

Durable and Reliable

The CC500 finisher has a heavy-duty metal casing and non-slip rubber feet. Use it on its own or combine and stack with the GBC® MagnaPunch™ Elite for efficient operation. Elite, sold separately.
