

PRESS-ON VINYL ENVELOPES

Clear flexible plastic press-on vinyl envelopes, self-adhesive pockets, sleeves, pouches and holders with peel-and-stick permanent pressure sensitive adhesive backing. Stick the clear press-on envelopes to almost any clean, smooth flat surface. Pressure sensitive adhesive does not need to be wet, licked, heated or mixed to activate. Just peel the envelopes off the liner paper using one at a time as needed. Insert tags, cards, notices or signs easily identify what's inside. *All products are sold in packs.*

We use heavy 8-gauge (8 mil) clear material on the front with a 6-gauge adhesive back on an 80# release liner to help reduce wrinkling.

3 1/2" X 2" ADHESIVE POUCH

Overall Dimensions: 3 3/4" x 2 3/8" h
Pocket Dimensions: 3 3/4" x 2 1/4" h
