GBC® 480HS 13" POUCH LAMINATOR

The GBC 480HS 13" Pouch Laminator has a sleek, yet compact design for modern offices with large laminating needs. The four-roller system provides faster throughput and flatter output. It also has SMART features to make operation simple, including edge guides and auto shut-off. Plus, the 13" width lets you laminate 21% faster when used with GBC Speed Pouches, sold separately.

FEATURES:

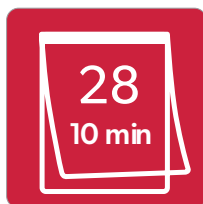

SPEED POUCH COMPATIBLE

The wide 13" width is compatible with GBC Speed Pouches, which feed horizontally and can reduce processing time by 21%.

SMART FEATURES

The integrated SMART entry edge guides and sealed edge icon show you where to align pouches for error-free loading. Plus, the laminator has a fast 1-minute warm-up and SMART LED warm-up indicator, which prevents pouches from feeding until the machine is ready.

FAST & EASY

This machine laminates up to 28 standard pouches or 33 GBC Speed Pouches in 10 minutes.
