GBC® CX22-44/P4 COMMERCIAL SHREDDER

The TAA Compliant CX22-44/P4 is a great choice for busy offices. This sturdy shredder has a metal cabinet and wheeled base so it can be set up anywhere in your workspace. Plus, Jam-Stopper technology detects jams and automatically reverses excess papers, which helps prevent jams before they happen.

FEATURES:

P-4 Security Level

This cross-cut shredder provides P-4 Level Security. This type of security is perfect for everyday shredding jobs in multi-user offices and workspaces.

Shreds 22 Sheets

Steel cutting blades shred up to 22 sheets at a time, while the continuous run time helps shred papers faster. It also shreds credit cards, paper clips, CDs and staples.

Large Pull-Out Bin

The 44-gallon pull-out waste bin provides plenty of room for paper shreds and does not require a shredder bag. A bin full indicator lets you know when it needs.
